

CURRICULUM VITAE

Emmanuel Kasoma

Kampala, Uganda | +256 787 813 138 | emmanuelkasoma2016@gmail.com

GitHub: github.com/waki1738

Professional Summary

A detail-oriented Computer Engineering graduate with strong hands-on experience in software development, hardware systems, troubleshooting, and ICT support.

Skilled in Python, Django, databases, and general IT systems maintenance.

Demonstrates excellent problem-solving abilities, documentation discipline, and teamwork.

Passionate about contributing to efficient health-sector systems through technology-driven solutions.

Core Competencies

ICT Support & Maintenance, Troubleshooting, System Documentation

Python, Django, PHP, JavaScript, C++, HTML/CSS

Git/GitHub, Arduino, Linux basics

Communication, Teamwork, Customer Support

Projects

Web-Based Breast Cancer Diagnosis System – ML-powered platform for medical image analysis.

Automatic Solar Panel Tracking System – Embedded hardware system for automated solar tracking.

Professional Experience

Graduate Trainee – Computer Forensics Consultant Uganda (November 2025 – date)

- Provide ISO certification support to client firms

Onboarding Officer – G-Tris, Uganda (Feb 2025 – October 2025)

- Provide ICT and technical support to riders using a mobile application.
- Diagnose and resolve app failures on user devices.
- Collect and document feedback for system improvements.

Programming Teacher – Ronro Institute (Nov 2023 – Feb 2024)

- Taught programming and web development to learners.
- Mentored students in debugging and project work.

Backend Developer Intern – Yoya Technologies (Jan – Mar 2023)

- Developed backend features using Django.
- Performed testing, debugging, and documentation.

Hardware Programming Intern – FundiBots (Apr – Jun 2023)

- Programmed Arduino microcontrollers for automation projects.
- Developed weekly hardware solutions.

Education

Busitema University – BSc in Computer Engineering (Second Class Upper), 2019–2024

Busitema University – Diploma in Ginning Engineering (First Class), 2016–2018

Bishop Cyprian High School – UACE, 2013–2015

Bishop Cyprian High School – UCE, 2010–2013
